JORDAN M. KENDALL, CPA ELECTED CHAIR OF THE BOARD OF DIRECTORS

Jordan Kendall has been elected Chair of the Board of Directors of Simpson Senior Services. Mr. Kendall commented on his predecessor Kay McCoy saying “Kay was a dedicated Chair. I am proud and honored to follow her and appreciate her strong and committed leadership.”

Jordan is a partner with Silverman Kendall LLC, a certified public accounting and business consulting firm which performs accounting, auditing, tax and consulting services. His past professional affiliations include Parente Randolph LLC, and Shechtman, Marks & Devor P.C.

Jordan believes volunteers working together foster community strength and enhance quality of life for all. Commenting on assuming the chairmanship of a major charitable organization he explains “Charities don’t just help people and improve society. More and more charities are leading society. We need to be prudent and always confident. In my mind, leadership and success means continuing to develop new ideas and ways to think about things. They mean continuing to improve the quality of the services you provide and not being afraid to change the ways in which you deliver them. Senior living and senior services is a perfect example. Many of the programs and services offered by the Simpson Senior Services family of communities did not exist even 25 years ago. We have and will continue to pioneer and chart the future.”

Jordan lives in Montgomery County with his wife Stacy and their three children. He has served the Make-A-Wish Foundation of Philadelphia and Susquehanna Valley as Treasurer and Board Member, the Jewish Federation of Greater Philadelphia, YLC Board, and various other charitable organizations as both a Board member and volunteer. Jordan is a Drexel University graduate and holds memberships in the American Institute of Certified Public Accountants and Pennsylvania Institute of Certified Public Accountants.
